

# Queensland Government Insurance Fund Strategic Plan 2023-26

## Our vision

Ensuring financial protection that makes Queensland stronger, fairer and safer

## Our purpose

For eligible agencies, facilitate the management of financial risk through identifying, providing for, and funding Queensland's insurable assets and liabilities

## Our core services

Insurance protection      Claims management      Insurance advice

## Strategic objectives

### Deliver a compelling value proposition

- Embed the QGIF Charter and Success Plan
- Identify and embed best practice principles across all operational areas
- Customised coverage of Queensland's insurable assets and liabilities

### Uplift internal capability

- Support and develop specialist skills and capabilities that align to our vision and purpose
- Develop modern systems and effective data analytic tools and processes
- Support wellbeing and promote a diverse, connected and inclusive workplace culture
- Embed a contemporary, tailored approach to managing psychosocial hazards that are unique to our team

### Embed a customer-focused approach

- Enhance QGIF's reputation and position through effective inter- and intra-agency relations
- Position QGIF as a trusted advisor to insured entities and government
- Best practice engagement with agencies and service providers

### Future-ready QGIF

- Monitor, understand and act on insurance trends and challenges that affect government or insured agencies
- Maintain and enhance a one-team high performing culture that builds capability and fosters accountability
- Active focus on understanding the key issues faced by our business and developing logical and efficient strategies to address them
- Design adaptive and streamlined business processes

## Queensland Treasury's Five Key Shifts

## Our key opportunities

- Positioning QGIF as a trusted adviser to all insured entities
- Delivering high quality advice to stakeholders
- Optimising our people, processes and technology

## Our success measures

- Whole-of-government insurable risk exposures well managed
- A strong and highly capable workforce
- Improved service delivery and customer experience
- Best practice claims management
- Trusted insurance advisor to government and agencies
- Continued positive results overall and improvements in targeted areas of Working for Queensland survey
